ERIC G. FRANK | UGC CREATOR PORTFOLIO

ON CAMERA & VOICEOVER

Hi, I'm Eric.

I'm 52, but some guess 25. Good genes... or part vampire?
Either way, I add value to your brand.

ABOUT ME

Confident, conversational, adaptable.

I make videos that feel like real conversations.

I'm a creator at heart.
I love building strong teams and growing brands.
Marine ('99–'05), then Army ('07–'13).
Two combat deployments, then first responder.

I guarded high-profile clients with VRP Group.
Gulf of Mexico to Puerto Rico.
Talking-head videos are my favorite to film.
To reset: pushups, a tree hug, or BMX.
Usually my '93 GT, with my daughter.
Running late? You'll hear it from me first.

Semper Fidelis. Thanks for considering me.
